INSTRUCTIONS

Mail form to: Ozark Trail Association
Attn: OT Challenge Hike
406 West High Street
Potosi, MO 63664

Or email to: OTChallengeHike@OzarkTrail.com

THE OT & OTA

The Ozark Trail (OT) consists of nearly 400 miles that wind through the Missouri Ozarks. First conceptualized in 1977, the vision was to create a 700-mile long-distance trail from St. Louis to the Arkansas border where it would connect with the Ozark Highlands Trail. Much of the OT is open to bicycle and equestrian traffic, and the entire trail is open for hiking.

The Ozark Trail Association (OTA) is a grass-roots 501(c)(3) volunteer group dedicated to the construction, maintenance and promotion of the Ozark Trail. The OTA was incorporated in December 2002 and provides volunteer resources to Ozark Trail land managers to build new trail, repair and maintain existing trail, and promote awareness and use of the trail. The OTA holds training workshops, schedules work outings, monitors trail conditions, manages the Adopt-A-Trail program, assists in trail planning, and currently, has over 30 sawyers who contribute to volunteer maintenance on the Ozark Trail.

We appreciate your support of the OT Challenge Hike!
