### THE OZARK TRAIL & OTA

There are over 400 miles of the Ozark Trail to explore. Stand on Taum Sauk Mountain, the state's highest spot. Gaze over Big Spring, North America's largest. Watch beavers build a lodge or visit a herd of wild horses. The Ozark Trail can show you the way to hardwood forests, crystal-clear streams, sheer bluffs and rocky balds. It's all right here in Missouri's rugged backyard. A quick walk in the woods with the kids, weeks of hardcore through-hiking, epic mountain biking or a quiet ride on horseback - the Ozark Trail has it all.

Growing and managing a recreation trail takes many hands. The Ozark Trail Association (OTA) is a community of people passionate about conserving the great outdoors for the next generation. Volunteers help maintain the trail in top shape, use chainsaws to keep the trail corridor open and manage events, coordinate trail planning and promote the Ozark Trail.

### SPONSOR BENEFITS

**\$500  
SPONSOR**

**\$250  
SPONSOR**

**\$100  
SPONSOR**

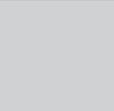

#### Publicity

name & logo on Facebook event page + photo backdrop
