The Ozark Trail Association (OTA) is a grass-roots non-profit volunteer group dedicated to the construction, maintenance and promotion of the Ozark Trail (OT). Incorporated in 2002, the OTA provides volunteer resources to build new trail, repair and maintain existing trail, and promote awareness and use of the trail. The OTA holds training workshops, schedules work outings, monitors trail conditions, manages the Adopt-A-Trail program, assists in trail planning, and currently has over 30 sawyers who contribute to volunteer maintenance on the Ozark Trail. For more information, visit ozarktrail.com. We deeply appreciate the continued generosity and support of our volunteers!
